Michelle Tom

So if you could just start by telling us your name and how long you've lived in Windsor or where you live?

Savannah Clifford

OK. My name is Savannah.

Savannah's Mom

We've been living in Windsor 11 years.

Savannah Clifford

Since I was born, yeah. I've been living in Windsor for 11 years. My name is Savannah. I go to Sage Park School. I just recently [got] a dog. We named him Papa. His original name was Outcast because he was my friend's dog before that kind of. We were just holding him for a little while and she decided to name him Outcast because the original owner left him on the porch by himself, and that's how we got him. We're still kind of sort of paying for him.

Michelle Tom

Tell us about – so what elementary school did you go to?

Savannah Clifford

I went to JFK.

Samantha's Mom

You went to Oliver Ellsworth. [00:01:00]

Savannah Clifford

Oh yeah, Oliver Ellsworth Elementary is like younger.

Michelle Tom

So what did you think of the different schools?

Savannah Clifford

Like versus now and like before? I don't really know how to answer that question.

Michelle Tom

All right, tell me about your favorite teacher at JFK.

Savannah Clifford

OK, my favorite teacher. Mrs. Johnson. She was my favorite. Right now, I think she left. I don't know if she stayed, but she was my favorite teacher.

Michelle Tom

What did she teach?

Savannah Clifford

She [taught] math. Third grade. So yeah.

Michelle Tom

Awesome. So why did you like her?

Savannah Clifford

She was really nice, and she was understanding. She helped kids and she listened.

Michelle Tom

And what school do you go to now? [00:02:00]

Savannah Clifford

I go to JFK. No, Sage Park.

Michelle Tom

Do you do any extracurricular things there?

Savannah Clifford

Soccer. I just started.

Michelle Tom

Yeah, how do you like it?

Savannah Clifford

Oh yeah, and I do trumpet. I like it a lot. We just went against Tolland again. We lost, but we were pretty close to winning. We lost by one.

Michelle Tom

So there's a school soccer team?

Savannah Clifford

Yes, there's a soccer team. There is for boys and girls.

Michelle Tom

I'm sorry?

Savannah Clifford

There is for boys and girls.

Michelle Tom

Is the team co-ed?

Savannah's Mom

No, it's not co-ed.

Michelle Tom

So, it's two different teams. OK. All right. And you play – what instrument do you play?

Savannah Clifford

Trumpet.

Michelle Tom

Do you get to play at any [00:03:00] of the sports games or at a different kind of concert? Where do you perform? I guess it's been a minute.

Savannah Clifford

Right now, we don't really perform anything. Our [conductor] – is that what you call them? The [conductor]? The music teacher, I guess. He's trying right now to get us to play some concerts and stuff. But right now, the school didn't really find any like competition or I guess something like that.

Michelle Tom

What's the music teacher's name?

Savannah Clifford

That I do not remember.

Michelle Tom

What's your soccer coach's name?

Savannah Clifford

We switched our soccer team coach because she left to go to high school and then she came back so she teaches both. But our other teacher, he's like our sub coach. His name is Mr. Garnier.
[00:04:00]

Michelle Tom

All right. Unless you wanted to talk about something else?

Savannah Clifford

Nope.

Michelle Tom

All right. Thank you.
