Michelle Tom

But if we could just start by you telling us your name and how long you've lived in Windsor or maybe your neighborhood?

Nate Stillman

OK. Now?

Ms. Stillman

I'm gonna get out of the way. You'll feel better if I'm not here.

Nate Stillman

I do. OK. My name is Nate Stillman. I've lived in Windsor for my whole life, and I live on [_____]. Some things I remember about being in Windsor is going to Northwest Park and just playing soccer with my three brothers. I went to school at Oliver Ellsworth, JFK, and Sage Park. I am currently an eighth grader at Sage Park. [00:01:00]

Colette Yeich

What was your neighborhood like?

Nate Stillman

My neighborhood was very friendly. We are very good friends with like our neighbors and yeah.

Michelle Tom

Have there been a lot of people moving in and out? Or has it been the same since you've lived there?

Nate Stillman

Yeah, it's pretty much been the same since I've been a baby.

Michelle Tom

And are there any other kids your age?

Nate Stillman

Yeah, there are a few who we hang out with from time to time.

Michelle Tom

And do you hang out in your neighborhood or is there someplace else that you go?

Nate Stillman

Yeah, we usually either – we just go somewhere in the neighborhood like Northwest Park or just hanging out around the neighborhood.

Colette Yeich

Are you involved in sports?

Nate Stillman

What?

Colette Yeich

Are you involved in sports?

Nate Stillman

Yeah, I'm a soccer player. I played [00:02:00] Windsor Soccer for about – since I was very little, like around 6 or 7. And now I am one of the captains [for] the Sage Park soccer team, so yeah.

Michelle Tom

Have you had the same team?

Nate Stillman

Yeah, it changes from time to time since some players, they have interests in like other sports. But yeah, there's been like a few people who have –

Colette Yeich

What do you like most about Windsor?

Nate Stillman

I like the – I mean I haven't really met like a mean person, like everybody has been really friendly and [it] feels good being here.

Michelle Tom

Awesome. That's all we need. Thanks.

Nate Stillman

Let's go. [00:03:00]

Colette Yeich

Now you just need to sign this.
