WINDSOR HISTORICAL SOCIETY ★

100

1921 - 2021

Stepping into the Next Century Together

Windsor Historical Society turns 100 this fall! We hope to make this celebration about the **WHOLE** Windsor community, and feature the history, culture, people, and stories of every part of our wonderful town. We hope you'll join in the celebration!

One Town, Five Villages, Many Stories!

Windsor now has many neighborhoods. Historically, however, the town was thought to have developed in five population centers or "villages": Windsor Center, Hayden Station, Wilson, Poquonock, and Rainbow.

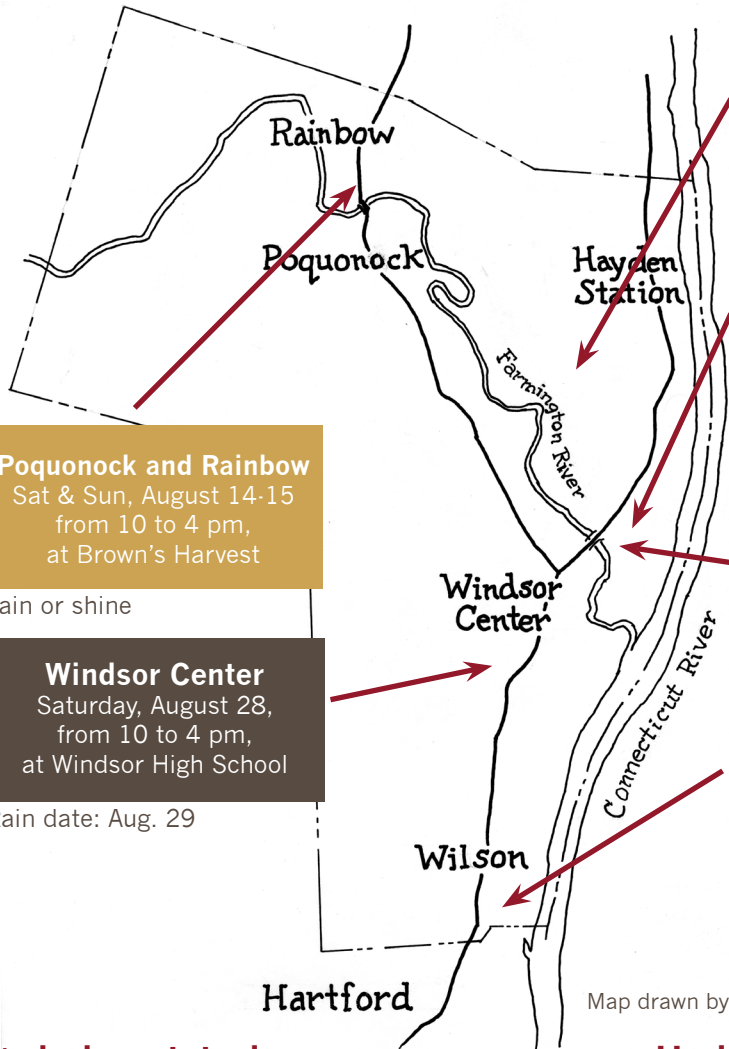

Join Windsor Historical Society, friends, and neighbors for a celebration of **your** neighborhood. Each event will include exhibits and samples of what makes your neighborhood unique, plus partner exhibits, food, opportunities to share your Windsor story, and add your photo to the giant "My Windsor" map, and more!

Share your Windsor story by:

- Join an event and bring a photo or let us take one!
- Record your story at an event in our story tent
- Post stories or images on social media #windsorctstories
- Provide your story in writing at one of these events!
