Wednesday, September 26th - Town of Windsor's 346th birthday

The Windsor Historical Society will meet on Wednesday, September 26th at 8:00 p.m. for its annual meeting and election of officers for the coming year. The speaker will be Robert T. Silliman, President of the Society. The topic of Bob's talk will be "100 years of Poquonock and Rainbow Industry." He has made some old pictures into slides to illustrate his talk.

In our library there will be an exhibit of Christopher Spencer memorabilia, including Mr. Spencer's own handwritten account of his meeting with President Lincoln.

As a tribute to the Windsor Garden Club who have planted a delightful herb garden at the entrance to Fyler House, we will display a group of beautiful old flower books, as well as three new books, gifts of Iola B. English: "Old Time Gardens", "Sun Dials and Roses of Yesterday" by Alice Morse Earle and "Herb Gardening in Five Seasons", by Adelma Grenier Simmons.

We would like to encourage our members to bring a friend or a neighbor to our meeting; especially the elderly who frequently do not care to drive alone at night. If anyone cannot or prefers not to drive to our meetings, please call the Fyler House and we will try to arrange for another member in your area to pick you up.

Remember:            Wednesday, September 26th, 8:00 p.m.
