Vol. VIII, No. 2

March, 1982

Our first meeting of the new year will take place on Wednesday, March 31st, at 8:00 p. m. in the Wilson Museum. The speaker will be Mr. Douglass Alves, Director of the Wethersfield Historical Society and program chairman of the Connecticut League of Historical Societies. The title of his talk will be "A Look At Wethersfield" and he will illustrate with slides.

Mrs. Blake and her committee are working hard to get the Fyler House and Wilson Museum in shape for the official opening on April 1st. One of the exhibits of particular interest will be the miniature furniture made by Mrs. Lydia Wade.

The directors met recently and discussed what the Society might do as part of Windsor's 350th anniversary celebration in September, 1983. If anyone has a suggestion, let's hear it.

The Society is very fortunate in having a fine group of volunteers who come one morning or afternoon each week to give tours of Fyler House or help with genealogical research in the library. However, we do need substitute volunteers to help when "regulars" cannot be present. If anyone is interested in helping, contact Mrs. Hillemeier.

We would like to encourage our members to bring a friend or neighbor to our meetings. If you would like a ride, call a member of the Board and someone will pick you up.
