Vol. VIII, No. 3

May, 1982

The next meeting of the Windsor Historical Society will take place on Tuesday, May 18th, at 8:00 p.m. in the Wilson Museum. The speaker will be Mr. William N. Hosley, Jr., Associate Curator of Decorative Arts at the Wadsworth Atheneum. He will speak on the subject of "Connecticut Valley Furniture", with slides to illustrate his talk.

Visitors to the Society are always asking for picture post cards of the area, so to full fill this need a committee has chosen about six views to be put on post cards. They will be available soon. Also don't forget we have note paper with some good interior views of Fyler House on sale.

The Windsor Planning Department has published "The Historical Survey" a survey of some 420 home sites, older homes, in Windsor. They have gone into much detail on this study and the volume should be of interest to many. It sells for \$25.00 but at the moment the first printing has been sold out. Check at the Town Hall if you are interested.

See you on the 18th. If you would like a ride, call a member of the Board and someone will pick you up.
