

THE WINDSOR HISTORICAL SOCIETY OF WINDSOR, CONNECTICUT, INC.

NEWSLETTER

Vol. IX, No. 1

November, 1982

The December meeting of the Windsor Historical Society will take place on Tuesday, December 7th, at 8:00 p.m. in the Wilson Museum. Thomas Finley, Program Chairman has arranged for a musical program involving a performance by Mr. James L. Dina, a teacher at the Hartt College of Music. His instruments are the guitar and the recorder. He will be assisted by his daughter, also a musician.

Some changes:

Mrs. Edwinna Hillemeier, who was appointed Curator in January, 1972 has resigned. In her years at the Society she has done a great deal to bring our library up to its present standard of usefulness. We wish her well.

Mr. Robert Silliman, President of the Society, will relinquish that position and become the Director of the Fyler House and Wilson Museum. He is very much interested in every phase of historic preservation and will be invaluable in this position.

Mr. Alexander Hooker, Vice President, will take over as the chief officer of the Society.

A change for your calendar: The May meeting will be Wednesday, May 18th.

For those who ordered pitchers: Mrs. Mary Ransom will bring the pitchers to the meeting. They are a deep azure blue, not like the sample of 'Jersey green'. If anyone prefers the 'Jersey green' they will be available later. Checks should be made out to: Windsor's 350th Anniversary Committee.

There are some sets of Stiles' History available at \$40.00. They would make a nice Christmas present.

For the membership to think about: On Saturday, September 24, 1983 there will be a Founders Day celebration and a meeting of the descendants of Windsor's founding families.

Our December meeting is always a joyous occasion. If anyone would like a ride, call a member of the Board and someone will pick you up. To those of you who cannot join us on the 7th of December, the officers send you their best wishes for a Merry Christmas and a Happy New Year.
